Galaxy TabPro S

**Work and fun
all in one.**

 Windows 10

SAMSUNG

Galaxy TabPro S

Finally a tablet designed for today's business.

Achieve more in your working day and beyond with the Galaxy TabPro S, a lightweight, elegant 2-in-1 tablet with a detachable keyboard and features that promote productivity and creativity. Offering access to all the tools your business needs, the Galaxy TabPro S helps give employees the freedom to work wherever and whenever they want to, without compromise.

Built by Samsung and powered by Windows 10, the Galaxy TabPro S is purpose-built for highly demanding mobile workforces.

Long battery life & fast charge

With battery life lasting up to 10.5 hours⁺⁺, it will help keep mobile professionals productive all day. And if the battery goes flat, the Galaxy TabPro S can reach a full charge in 2.5 hours - a seriously fast charge[‡].

Connectivity

With LTE Cat.6 network capability⁺⁺, the Galaxy TabPro S can download your documents or stream your favourite shows faster than you can imagine. There's also AC Wi-Fi capability, meaning that browsing at home won't be lagging behind[‡].

Superior performance

Windows 10 and an Intel® Core™ M Processor are a winning combination giving you the means, power and speed to work and play. Whether you're a CEO or mobile professional, the Galaxy TabPro S can meet your productivity and security needs.

⁺⁺ Only available on TabPro S 4G models.

[‡] AC Wi-Fi Wireless router required, sold separately.

SAMSUNG

Galaxy TabPro S

Full-sized keyboard & touch pad

The included full size keyboard and touch pad enhance your productivity on the go. You'll have little reason to settle for less.

Slim & light

Weighing only 693gm and 6.3mm thin, the Samsung Galaxy TabPro S allows mobile professionals to take it wherever business takes them.

Stylish protection

The included premium keyboard book cover offers both form and function. Stylish and made with high quality materials, the keyboard book cover takes on the wear and tear of your daily travels.

Samsung Flow

Samsung Flow lets your Galaxy S7 and Galaxy TabPro S work better together**. Log in securely using the Galaxy S7 fingerprint reader and NFC. Read and reply to texts and notifications from your Galaxy S7. Galaxy TabPro S also automatically prompts you to tether from your Galaxy GS7 if needed**.

Full HD+ Super AMOLED display

The 12" Super AMOLED display delivers sharp text and brilliant colour for a superior work experience.

Productivity apps

Work on the go with Microsoft Office and a wide range of compatible productivity apps available for business in the Windows Store**.

Awards

The Galaxy TabPro S came away from CES 2016 a winner, taking PCMag's Best of CES in the Tablet category and Digital Trend's Top Tech of CES.

**Compatible with all Galaxy smartphones running Android M. Samsung Flow app must be downloaded and installed on the compatible smartphone and TabPro S. **User must have a registered account to download apps. Data and usage charges may apply.

Samsung Smart Service

No business can afford to lose productivity, miss a deadline, mislay an order, or let a customer's call go unanswered. Samsung Smart Service enhances that reputation with levels of support and service to keep those products and your business going strong.

TabPro S will have a 2 yr and 3 yr service pack available to purchase in addition to the standard 2 yr manufacturer warranty. Should your Samsung product fail for any reason, simply call the Samsung Service Desk on 1800 91 92 93.
